Amazing Virgin Venue!

Three Grinning Cheshire Cats arrive for the Run

Last Sunday we enjoyed a rare treat - our Co-Hares Woosh and Skywalker introduced a virgin venue - the Jersey Hockey club behind Les Quennevais Sports Centre.

We were a bit short of numbers with Storm Ciara, Colin Toudic's birthday the night before, and Hooker leaving Poocock slouching in bed watching Cricket. What a boring game.

Co-Hare Skywalker arrived holding a big bag of sawdust and explained that he had not managed to lay all the run... Nonetheless he soon finished laying the Trail during the Run, after he had called the On-On.

As RA for the week I was hoping to reward Software for his almighty fall the previous week (but he ran-off before I had opportunity by sneaking out the door supposedly to maintain his dry January - even though his calendar was awry as this was now February) and also Grantchester whose birthday it was today. I have since learnt that Flasher was himself unable to attend due to Grantchester's demands for Breakfast in Bed!

Hare's Dandruff?

Jacko's BDSM Experiment?

On-Off straight Down a Blind Alley?

Steptoe's Rugby or Hockey Gear?

Maybe Grantchester demanded Flasher provide her with extra very personal entertainment as well?

The run covered most of the lovely parish of St Brelade, down to the beach, towards Beauport and onto La Moye. It was breezy and fresh but also dry and a great Run. A few noticeable highlights included:

- Kat knocking a fence post over and then also admitting that we were running by her front door but she had no keys for a drink stop...
- Jacko catching his nuts on barbed wire and calling out to the Harriette's for a plaster!
- Manager at the hockey club treating us to a Karaoke version of before serving the best sausages and chips for a long time.

The down downs this week went to Kat & Jacko for their sins and to our Co-Hares. On a serious not the Jersey Hockey Club is a venue we should use more often!

Sorry about the short write up but Flasher and I are off together for a week in Lanzarote. We are just taking Bethan and Grace and with both girls having pledged "what goes on in Lanzarote stays in Lanzarote"! **On On, Discharge**

Woosh Laid a Massive One Here!

VIRGIN / HOCKEY JOKES

What is the difference between a hippie virgin and a hockey player? The hockey player showers after 3 periods.

What's a paedophile's favourite part of a hockey game? Before the first period starts.

Little Susie had gotten her first period. She told her mom and they bought pads. The next month, Susie's mom asked if she had her second one. Suzie said no and her mom fainted.

What happened to the Polish hockey team? They all drowned in spring training.

President Trump and the Pope died on the same day, and due to an administrative foul up, Trump was sent to heaven and the Pope gets sent to hell. The Pope explained the situation to the devil, he checked out all of the paperwork, and the error was acknowledged. The Pope was told, however, that it would take about 24 hours to fix the problem and correct the error. The next day, the Pope was called in and the devil said his good-bye as the Pope went off to heaven. On his way up, he met Trump who was on his way down, and they stopped to chat:
 Pope: "Sorry about the mix up."
 President Trump: "No problem."
 Pope: "Well, I'm really excited about going to heaven."
 President Trump: "Why's that? It's not that great."
 Pope: "All my life I've wanted to meet the Virgin Mary."
 President Trump: "I'm very sorry, your Holiness, you're a day late."

A woman visits her doctor asking, "I'm going to get married and my would be hubby thinks I'm still a virgin, but I'm not. Can you do anything about it?" The doctor says, "Well, there isn't any time for a procedure. Instead, slip an elastic band around your thigh when you get in bed. When the time comes make a snapping noise with the band and tell him it's your virginity going".

The couple have a great wedding and drive to their honeymoon resort. When it's time for bed, she slips on the elastic band and gets into bed ensuring the lights are off. After the foreplay when her husband is about enter his thing she makes the snapping noise.

Her husband is taken aback saying "What the hell was that?" She replied, "It's nothing dear, just my virginity snapping." He exclaims "Well whatever the hell it was, snap it again. It's got my balls!"
