Eastern Delight

Today the Crapauds met at the Green Island carpark. We were joined by former Hasher Crappyoke.

The four runners had a map as well as a 'live hare', Smuggler cycled to show them the delights of Saint Clement's highways, byways and fields. Unusually the group decided to cut the run short, but the cycling hare acquiesced to the decision of the SCB's.

Today the walkers had some virgin territory that was a short footpath across the field in Rue de Samares toward Les Marais, followed by a circular route around the parish. The on downs were enjoyed on Smuggler and NBM's patio.

Down Downs were awarded to Crappyoke to welcome her back to the hash and to celebrate her birthday. Also awarded were Chickpea and Hooker: Chickpea had recently got a medal for completing the Jason Lee 10 K run and Hooker was called up because she had mistakenly thought that the band 'The Lottery Winners' were actually made up of people who had won the lottery!

Finally the two hares Smuggler and NBM also 'enjoyed' their down downs.

What are they looking so cheerful about?

"We're here." "No, you're there!"
