## Chrimbo Crackers

Today we were asked to meet at 11 at Sand street car park, in our Christmas attire, by our Christmas party Hares, Hooker and Wendowlene.

Arriving just a few minutes before 11, we could hear the group long before we could see them, a large group of hashers dodging the drivers who were trying to get into a parking space.

Just after 11 our hares called on on, and we followed Wendowlene who lead the way to the Adelphi, Hooker stayed to await Frisco's arrival so that he wouldn't miss all the festivities.

The Adelphi staff were excellent at serving drinks to so many hashers in record time, mince pies and carol sheets were also served by our hares, however the singing was a little quieter this year as we were all chatting and catching up with some 'old returning hashers'.

It was soon time to move onto the next hostelry, on the way to the Up & Down Bar we met up with a couple of Pussy and Fuzz's fellow Ukelele band, Jed & Harry, playing drums outside M&S, so we joined them for some songs before moving onto to the pub, some leaving a tip or two in their pot.

Our next stop was Hugo's for our delicious lunch served by the lovely staff there.

After we had enjoyed the food and wine we were called for a renaming, our lovely harriette is now to be called V V. (pronounced Vee-Vee)

There followed down downs for a virgin Christmas diner, Jumper, who had recently returned to the island for a few weeks, and downed her beer in record time.

Next up were Cliffhanger and Foxy having their birthday down downs, Foxy was a lot

slower than Cliffhanger and had to be helped to finish his beer by Tinky.

Muff diver was called next because of giving out false information in the JEP.

The best dressed hasher, Vital Statistics, was also called up to join the sinners with our Christmas Hares Hooker and Wendowlene.

Our RA then called for a match for the fastest down down of the day between Cliffhanger and Jumper, unfortunately Cliffhanger declined but he was substituted by Hooker, the result was a draw.

Thank you to all the staff in the Adelphi, The Up & Down Bar and Hugo's and especially our two Christmas party hares for the last three years, who will be passing the baton onto someone else, possibly Frisco who may have volunteered.

**Merry Christmas to all Hashers and their friends and families.**
