## Walkers outdo Runners!

We meet in the Vic in the Valley car park for Double Tops' run.

We welcome back SkyWalker and a new slimline Woosh, Vee Vee from her holidays in the sunshine and Steptoe who was ill last week.

We also welcome 'Hash Santa' our very own Wendolene who handed out Christmas gifts to those present today.

We were a larger group this week with 9 runners and 14 walkers, 2 walkers, Molehills and Walkies had a separate walk, to avoid the steep hill and to take the dogs for a walk.

Our GM welcomed all, and after regaling us with the sport results etc. showed the pack that he had substituted a Danish flag on his sweatshirt logo to cover the Stars and Stripes in solidarity with the worlds largest island. (see pic)

Both runners and walkers ran, or walked, up the hill, past the somewhat dilapidated house on the left on La Rue du Panigot, which the walkers were shocked to hear from Illegal that it was a listed building.

We continue onwards past Greenhills and the Mustard Seed building to return to St Peter's valley, across the road and along the footpath and up the St George School pathway, crossing the road onto the pathway that lead down hill, past the golf course, into Sandybrook and on back to the pub via the valley footpath.

I believe the runners did a similar route of 4.04 miles, as per Steptoe's Strava, as the walkers mileage was 4.2 miles!

After enjoying the plentiful food laid on by the staff of the Victoria the down downs were awarded to: our RA for failing to pay his subs on time, Skywalker for his return, and also falling over a tree, and finally our Hare Double Tops.
