The “Love & Affection” Trail

Did you know that Ladies of a “*certain vintage*” secrete & hide their valuables in personal places around their bodies? To avoid your dirty imagination going viral I am NOT referring to their physical assets! Rather, I am referring to their bank cards, mobile phones or other valuables. For example, take Eastenders Kat Slater (played by Jessie Wallace) and “Mrs Peacock” Elaine (played by Harriet Thorpe), in particular the latter who has been filmed in several episodes inserting her mobile into left hand side of her bra, next to her heart. I except you can think of other ladies of.. errr, *Advanced Years*.. who do similar strange things? Maybe Harriettes also do these strange things, although I quickly add I have never witnessed such antics groping their personal places. Maybe except Double Top’s with her bank card? **But this morning it was evident** some Harriers were doing similar things, **fiddling around near their Bollocks**. There were several Harriers who appeared to be trying to retrieve something from their nether regions. See photos for the evidence! **In Ballcocks case** it turned out he was trying to retrieve his car keys that he had secreted next to his Bollocks, judging by the **scratching & fiddling his Bollocks** were enduring!

To record the above groping incidents, I was going to call this the “**Bollocks Run**”, until our Hare Ballcock announced he had **Laid this Trail with “Love & Affection”**! Actually, it materialised he had NOT LAID any markings showing the Trail (**or misleading unwary Runners up FALSE TRAILS**), rather he was going to be a **LIVE HARE**! Given these preliminary observations I am not going to recount where the Trail sent, so check out the two Strava versions I was sent for this information. Steptoe’s record suggests he went off by himself **up a FALSE TRAIL**, but it was great he was back again Running after 5 weeks instead of ambling along with the Walkers. **However, half-way around Run Pervey vanished!** I was reliably told afterwards when climbing up the steep ascent to La Rue de la Sente on west side of Queens Valley Reservoir (**a FALSE TRAIL**) he ignored the On-Back markings & just keep to going westwards, unlike rest of the Pack. **That was the last time anyone saw Pervey!**

Back at the Pembroke Pub we enjoyed their great Bangers, Garlic Bread (with added tomato & cheese and French Fries, plus even better Tinky was handing out free home-grown organic cherry tomatoes. **Tinky Winky even supplied bags for Hashers to take away his produce.** Eventually our GM called us to gather round him, **saying Hash Rev had been “very efficient”** (is this a first?), congratulating him for a **Double Act** last weekend Haring the Jersey Bike Bash on Saturday then Haring Sunday’s Run. **Jacko suggested** Ballcock had laid a lovely “*Love & Passion*” Trail (clearly suffering memory issue!), noting Pervey had been lost inside 10 minutes and her hoped we will find him again one day. Finally, **Hash Rev Frisco punished 5 sinners** – Bagsofit for putting on his underpants inside-out (**clearly having more Bollocks issues!**), Zack plus his baby & dog for doing it all together (**dog drank water in bowl, but I’m uncertain what Frisco did with Zack’s baby**) and unrepentant Hare **Ballcock for fiddling with his Bollocks & dreaming up (although not actually laying) a great Trail!**
